GLOBAL SOLUTIONS VENTURES

Global Solutions Ventures (GSV) is an 8(a) certified USAID-focused joint venture comprised of ZemiTek, LLC and Dexis Consulting Group. GSV brings 25+ years of experience implementing work for USAID in both domestic and international settings. We strengthen outreach and communications capabilities, deliver M&E and CLA technical support, and provide long-term staffing solutions. GSV has mobilized 500+ personnel across 83 countries in the past 3 years. For the \$10.6M Legislative and Public Affairs (LPA) institutional-support contract (2018-2023), GSV's partners (ZemiTek and Dexis) deliver management and oversight of internal communications, knowledge-management systems, and web services. They have supported MyUSAID and Internal Communication, helping to develop SOPs and a draft approach to how the Agency understands the internal-communication process. GSV is recognized for recruiting and supporting qualified staff across USAID Bureaus including:

- Bureau for Legislative and Public Affairs (LPA)
- Bureau for Resilience and Food Security (RFS)
- Bureau for Economic Growth, Education and Environment (E3)
- Bureau for Conflict and Stabilization (CPS)*
- Bureau for Africa (AFR)
- Bureau for Latin America and the Caribbean (LAC)
- Bureau for Asia
- Bureau for Policy, Planning and Learning (PPL)
- Global Development Lab
- Over 60 USAID Missions
